Turner Site Services Ltd are committed to improving our environmental performance.

We seek to minimise any business activities which may impact on the environment by disposing of waste for recycling such as the below –

- Batteries
- Oil filters
- Mixed oils & fluids
- Oil drums
- Waste oils & fluids
- Aerosols
- Anti-freeze
- AdBlue

Our waste management policy is driven by our commitment to reduce, re-use and recycle.

We are committed to the below –

- Informing all of our employees on environmental issues
- Improving the energy efficiency of our buildings
- Minimising our annual waste production and waste sent to landfill through reduction, recovery and recycling
- Reducing our raw material use, such as – paper, fuel and electricity
- Reducing our vehicle journeys, to reduce toxic emissions produced from our vehicles
- Take positive action to reduce waste produce by the company's work ethics
- Encourage energy conservation, recycling and re-use whenever possible

We review our progress regularly and update our policy when required.
